Monday 11th January

Dear Parents / Guardians

Our topic for this half term will be 'Superheroes'. I have attached an overview of the work that we plan to cover. 'Show and Tell' will continue and the children should bring in items linked to our new topic.

Forest School is now on a Wednesday. Children can wear forest school clothes to school. However, we still want to be able to go outdoors for learning at any time during the week so please ensure that your child has a full set of waterproofs in school every day unless we have agreed that your child will use a school set of waterproofs. If you haven't got a set of waterproofs to leave in school then please do come and see me so we can make sure that a school set is available. Outdoor clothes should be left in a clearly named bag on your child's peg.

The children will have PE on Thursdays and Fridays. Please ensure that their kit is in school at all times!

The children do love being creative in our 'Making Area', so if you have any junk (e.g. empty egg boxes, food boxes, toilet rolls e.t.c.) then please do keep sending it into school with your child.

The children really enjoy sharing their WOW vouchers with the class each Friday, so please do keep sending them in and just let me know when you need some more.

I would like to take this opportunity to say thank you for your support in encouraging your children to come into the classroom and carry out their morning routine independently. Becoming more independent will really help their transition in September, but please do remember that you are welcome to come in to pass on information to Mrs Wood, Mrs Langford and I in the mornings.

Please do not hesitate to contact me if you have any questions.

Yours sincerely,

Miss Sarah Williams
