

STOP FOR A MOMENT

PTFA EVENT TONIGHT

Dear Lord,
Please help us to think about all the people who died and got hurt in London on Wednesday and especially the police man who died.

Amen

By Cheyenne, Pippa & Menna

Primary School Newsletter

Notices

- Mrs Wood (Wrens) will very sadly (for us) be leaving us at the end of next week. We would like to thank her for all of her hard work since she has been at Goodrich and wish her all the best, in her new role, as nursery manager at Longtown Nursery.
- Please can all parents ensure you children have a PE kit that fits at school every day.
- Thank you to the School Council and Lynn for organising our red nose day event. Also, our thanks go to all the families who have contributed cakes. We will tot it all up and let you know our grand total soon.
- Circuits will be outside as much as possible next term apart from Monday and Friday which will be inside for dance.
- Last weeks of clubs.
- As a whole school we have been trying to define 'spirituality.' The children seemed to find this much easier than the adults! This is what we've got, any thoughts about this would be gratefully received.

Spirituality

Inner joy and peace you cannot touch,
knowing that you are not alone in the awe and wonder of Creation.

What's Going On? (Please see ourschoolsapp.com for further information)

Forest School		Celebration Worship		Other dates	
		24/03/17	Wrens & Robins to lead	24/03/17	PTFA Easter Bunny Drive

Class News		Class Superstars
Wrens	This week, Wrens have been looking at the features of our class story. We have been writing lots of describing words and sentences to describe the different types of dinosaurs to help us when we write our story next week. In Maths, we have been using our number trees to look at parts of a number to make a whole e.g. $3+2=5$ and make our number bonds. Year 1s have been looking at the relationship between addition and subtraction and making number sentences with the same numbers e.g. $6+7=13$ or $13-6=7$. In PE we have been using our throwing, catching and defending skills to play ball games and our afternoons have been very busy preparing for our celebration worship with Robins.	Neve, Sophia
Robins	Have been learning all about different word types this week. We know all about nouns, adjectives, adverbs and verbs. We have also been learning how to add speech marks to our writing when our characters are talking. We have been using all of these wonderful skills in our writing independently. In Maths, Year 2 have been dividing and sharing all week. In art, we have been working on a special little surprise for some of the wonderful ladies in our lives.. Happy Mother's Day from The Robins.	Emma, Joel, Sid, Scarlett, Isla
Woodpeckers	In Maths, we have been practising how to read the time on different clocks. In English, we have started our new topic on non-chronological reports and have found out some fascinating facts. We are continuing to make our Ancient Mayan inspired headdresses and enjoyed sharing stories with the children in Wrens as part of our R.E. work.	Alex and Ben
Owls	In Owl class we have been exploring the effect of multiplying and dividing whole and decimal numbers by 10, 100 and 1000. Using this information we have begun to learn how to convert between units of measure e.g. $1\text{cm} = 0.01\text{m}$ and apply this to our science work when we measured and compared the relative distance of each planet in our solar system away from the sun using the scale $1\text{cm} = 1\text{million km!}$	Charlie, Fred, Sam T, Seren
Peregrines	This week we have been busy planning and writing a balanced written argument for a chosen audience, on such topics as: Year 6 children should not sit SATs, homework should be banned for all primary school children and mobile phones should be banned for children under the age of 12. The children have generated some very good arguments for and against. In P.E the children have been developing their skill in Tchouk ball. They are proving to be very competitive, whilst showing great team spirit and fair play.	Flo, Tilly, Jasmine, Molly, Sol, Annabel
