Year 3	98.4%
Year 4	97.9%
Year 5	97.5%
Year 6	99.5%
TOTAL	97%

School Prayer 

Dear God,
 Bless our school.
 Bless our teachers.
 Bless our pupils.
 Bless our families.
 Please help us to be kind and help us to always try our best.
 Let us remember, as many hands make a house,
 So many hearts make a school.
 Amen

Goodrich Church of England Primary School

Collective Worship

At this time of year we think about
Lent & Easter

We are team players.
 We show trust, friendship and forgiveness.

'Love your neighbour as yourself.' (Galatians 5:14)

Primary School Newsletter

Notices

- Year 6 please make time to relax and enjoy yourselves this weekend. Lots of sleep and don't forget to eat and drink. Remember what we talked about today. Worrying won't help you, have confidence and just go for it and do your best. That is all we ask of you!
- Thank you for everyone who supported the 'Let the children shine' day. A wonderful success.
- Please let us know if there are any upcoming events that should be on the calendar.

What's Going On? (Please see ourschoolsapp.com for further information)

Forest School		Celebration Worship		Other dates

Class News		Class Superstars		
Wrens	In Maths year 1 children have been looking at number and place value. We have been making numbers up to 100 with Numicon, Denes and money and understanding its value e.g. 42 – 4 tens and 2 units. Reception children have been collecting data and building graphs out of practical equipment to show which area has the most trees. In English, we have wrote traditional tales that we know, ready to learn our new class text ‘Jack and the Beanstalk’ next week. In our topic, we have joined up with Robins to plant different seeds for our outdoor area.	Florence Barnaby Noah Sam		
Robins	Robins had a wonderful afternoon this week, planting lots of different flowers and plants in order to watch and investigate them in Science throughout this term. In Maths we are looking at fractions and learning how to write them, recognise them and make them. We made fraction museums in groups and then walked around to find out other people’s mystery fraction.	Arthur, Hannah, Ollie		
Woodpeckers	In Maths, Woodpeckers have been learning about a variety of lines, angles and shapes. In English, we have been re-telling and considering different types of words in our new class story ‘The Magician’s Shop’. We have also been developing our running skills in P.E and using dance and drama in R.E when thinking about the meaning of different biblical stories.	Menna Pippa		
Owls	In Maths we have been learning about area and perimeter and using our knowledge to solve problems. In English we have been reciting poems and developing our poetry skills. In RE we have been thinking about inspirational people and what it means to be inspired. We shared who inspires us and why during Celebration Collective Worship which we led on Friday.	James, Mara, Cameron, Seth M Aarrowen		
Peregrines	In English Year 5 we have been looking at different poems, including The Door by Miroslav Holub. We have used this poem as an inspirational tool to write our own verses. In Maths we have been solving problems involving area and perimeter of various shapes, including triangles. In Year 6, we have been preparing for our SATs. In music, we have all been learning the script and songs for our forthcoming summer concert.	Luca, Zach, Sol, Charlie, Chloe, Joseph		
Citizen of the Week		Flo	Cloakroom	Junior Girls

Step 1

Cover baking tray with a piece of greaseproof paper and then preheat the oven to 180°C/160°C fan or gas mark 6. Open the cans of pink salmon and sweetcorn then drain.

Step 2

Wash, peel and chop the potato in half. Then chop the potato into 3cm chunks, place in a saucepan and cover with water. Bring to the boil, reduce heat and cook for 15-20 minutes (until soft). Drain the potatoes in a colander, return to the pan and mash.

Step 3

Add the peas to a small saucepan half-filled with water and boil for about 5 minutes, then drain. Grate the Cheddar cheese.

Step 4

Wash the parsley and spring onions. Top, tail and peel the spring onions and finely chop both using scissors in a mug. Grate the rind from the lemon and then cut the lemon into wedge shapes.

Step 5

In a bowl add the potato, salmon, drained peas, ½ of the Cheddar cheese, sweetcorn, spring onions, parsley, oats and lemon rind and black pepper (if using). Mix together.

Step 6

Shape 4 large or 12 small fishcakes in your hands and place on the tray. Sprinkle with the remaining cheese and then cook for about 30 minutes until golden brown. (20 minutes for mini fishcakes).

Optional Ingredients

Try the optional ingredients and equipment below to make a range of different dishes, or you could even add some new ingredients and invent your own dish.

Additional Instructions

White fish – Add 200g of fresh boneless and skinless white fish (e.g. cod) and 100ml of semi-skimmed milk.	Follow steps 1 and 2 but then place the milk in a medium saucepan with the fish and bring to a simmer (for 5-10 minutes) until the fish starts to fall apart with a fork. Drain the milk and fork the fish apart. Follow steps 3 and 4 then add the fish to the potato mixture in step 5.
Alternative preparation method – Cooking salmon.	Salmon can be cooked in the microwave. Pour the milk in a microwave-safe dish and add the salmon. Cover with clingfilm. Pierce a hole and cook for about 2 minutes until the salmon is lighter pink in colour.
Tuna – Add 200g of canned tuna.	Replace the salmon with cooked or canned tuna and follow the recipe.
Alternative cooking method – Use an electric frying pan.	You could use an electric frying pan with a little sunflower oil to cook these fishcakes (but don't sprinkle with cheese).

Prepare now, eat later

These fishcakes can be stored in your fridge for up to 2 days or frozen in the freezer.
