CHRISTIAN VALUE- HOPE

Dear God,  
if today I lose my hope,  
please remind  
me that your  
plans are better  
than my dreams.

## Primary School Newsletter

### Notices

- **PTFA BINGO** -Thank you to everyone who donated prizes and attended the PTFA Bingo evening last Friday. We managed to raise a fantastic £420 for the school and everyone had a great time. We will be holding another Bingo evening next term for those who missed out! A special thank you to Erica Rees, Helen Healy, Sarah Williams and Michelle Decloedt of the Stonemill Restaurant for donating all the food for the evening and Mr Williams & Mr Bateman for memorable calling!
- **SIAMS Inspection** – All of the parents and community representatives who sent messages or spoke to Mrs Knight added to a successful day. The report will be out in a couple of weeks, when we will be able to share the outcomes and our next steps for future development.
- If your child would like to learn a musical instrument, we have tutors offering a variety of lessons. Please ask in the office if you are interested.
- Thank you for staff and families for making this morning's **Maths morning** such a success. More will follow.

### Class News

### Class Superstars

<b>Wrens</b>	This week, we have been finishing our adventure stories based on Jack and the Beanstalk and in Maths we have been working on recognising different coins and making different amounts with money. In our topic, we have been creating pictures of flowers in the style of Georgia O'Keeffe and in P.E. we have been learning how to work as a team by playing different games.	Jessie, Ciaran, Neve, Charlie
<b>Robins</b>	This week in English we have been changing our class story to include our own ideas. In Maths we have been learning about money and how to give change. In Science, we have planted broad beans and have predicted what will happen to them. We talked about making our experiment a fair test and discussed how we would set up our experiment.	Sammy-Jo Joel
<b>Woodpeckers</b>	In English, we have been reading and writing biographies of artists and our friends. In Maths, we have been practising how to add and subtract amounts of money to give change. We have also been thinking about how Christians show their faith and have created artwork inspired by the natural environment linked to our 'Rocks' topic in Science.	Evie Jacob
<b>Owls</b>	This week we have been thinking about money as we have had a My Money Week. We have looked at coin design and how the Royal Mint uses the design of coins to represent the different parts of the UK. We found it fascinating once we started looking at coins! We have also completed money challenges such as calculating how much tax is paid on incomes and how families need to make tricky decisions when it comes to budgeting their household income.	Hannah, Max, Sam C Gracie Sam T Seth T
<b>Peregrines</b>	This week has been Money Week and we have been answering big questions all about money. We have considered: what do different people earn; how much could I earn; what is better value; what is debt and credit and how does money benefit everyone (taxes and charities). It has prompted some very interesting discussions and reasoning linked to money problem solving. The children have also been rehearsing for the summer concert and in forest school they have been learning how to light a fire, using the very basics, in a safe and controlled environment.	Rory, Alfie Seb, Chloe Jessica, Henry, Caleb, Jack
