Achieve ∞ Believe ∞ Care

15th Edition – January 2014

Dear Parents and Friends,

This week Reverend Simon continued to talk with the children about Love. What/who do we love and what/who loves us back? The children quickly began to distinguish between loving and liking, especially with reference to their toys.

I have talked to the children in assembly about thinking carefully about how we present ourselves. We ask them to take pride in their work and should do likewise in their appearance. The staff have their eyes peeled for children who take care of the way they look and in turn the appearance of the school environment. House points will be awarded.

Prayer has always been an essential element of our daily collective worship. This year we have created our own school prayer. On Thursday we discussed how prayer can support us in times of need and disperse feelings of isolation therefore lessening a burden. In the hall there are notebooks for children to write anything (personal or global) they would like us to pray for. I have asked children to write a big P- if it is very personal and would just like Reverend Simon to look at it. The rest will be shared as part of our Celebration Assembly as an intermission in our school prayer. If, as a family, or on behalf of someone in our community you would like to be mentioned in our prayer please add to the notebook or drop a note into the office.

Well done to the Year Five children who travelled to London this week. Mrs Taylor reports that you were fabulous ambassadors for our school gaining much understanding of 'debate' from the experience. My thanks also go to Mrs Taylor and the other Wye Valley Learning Network staff that planned a fabulous trip to enrich the children's learning experiences.

A huge thank you goes to Mr Gwilliam (Henry & Lydia Lafford's Grandad) for making a fantastic 'mud kitchen' table for Forest School. Year one, two and three children have had an incredible amount of fun using it this week.

Best Wishes

Karen Miles

School Prayer

Dear God,
Bless our school.
Bless our teachers.
Bless our pupils.
Bless our families.
Please help us to be kind and help us to always try our best.
Let us remember, as many hands make a house,
So many hearts make a school.
Amen
