

Goodrich Church of England Primary School Weekly Newsletter

Achieve ∞ Believe ∞ Care

19th Edition – February 2014

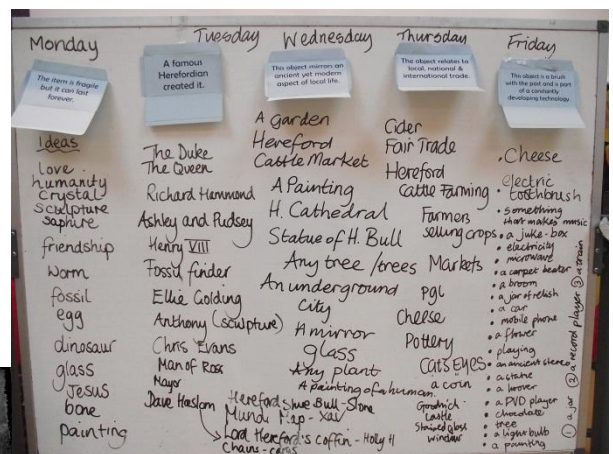

Dear Parents and Friends,

This week we have started a very exciting project. We have been invited to be part of the Hereford Museum Service's 'Take One' project which culminates in an exhibition of school's work (primary, secondary and beyond) in Hereford in the Summer Term. This project is inspired by the National Gallery's 'Take One Picture' programme.

The museum have chosen an object from their vast collection as the stimulus for our work and we will follow our own learning journey. This week the children have been given a clue a day and have recorded any ideas.

In Celebration Assembly today a picture of the object has been revealed. I have put the image below but it is actually a glass plate negative as you can see in the small images at the end of the Newsletter.

Now WE NEED YOUR HELP. Each child is coming home with a format to put a question about the object. It can be anything you like. Talk and agree as a family, then write it down and return to the class teacher. We look forward to your responses.

On a different note, the PTFA's next function is a Beetle Drive on Friday 14th March. We will be playing the game with the children on Friday 7th, so that they all know the rules. We think it will be a great evening of fun, laughter and good food with Mr & Mrs Watling hosting the evening. The booking forms will be coming out next week.

Best Wishes

Kriles

Notices

Thank you very much to Jeremy Steward (Alfies's Dad) for supplying us with some brilliant sticks, poles and den building material for Forest School!

PTFA are meeting on Monday 3rd March at 7:30. Please come along-they're a friendly bunch!

Please remind the children to not pick the flowers around the school. Mrs Turpin works so hard to keep it looking beautiful.

School Prayer

Dear God,
Bless our school.
Bless our teachers.
Bless our pupils.
Bless our families.

Please help us to be kind and help us to always try our best.
Let us remember, as many hands make a house,
So many hearts make a school.
Amen

Home-time: a Safeguarding Issue

Please, note that, last year, the children were told that the playground and climbing trail were closed at home-times. This is because, when there is a chaotic melee, we cannot judge who is collecting which children. As you can appreciate, this is a huge worry for us, and, therefore, for you as well. In assembly, the children have been instructed to remain by their teacher or classroom until collected. Also, they have been instructed that once collected, they should wait with the responsible adult. We appreciate your cooperation in this matter. Thank you.
