

Goodrich Church of England Primary School Weekly Newsletter

Achieve ∞ Believe ∞ Care

20th Edition – March 2014

Dear Parents and Friends,

As you are all aware, this week has been all consuming for everyone involved. The children were exactly what we would like them to be- themselves and we are, as usual, very proud of them all.

We now have to wait for 5 days, whilst a moderation process takes place before the 'report' will be released. You will receive a full copy of this.

I would like to extend my heart felt appreciation to the whole school community;

- the children for their effort and commitment to learning;
- parents who support the school and seek the best for their child/ren (that is your job);
- the staff team (they real are a great team) who work tirelessly to care and educate every child and
- the governors, diocese, Sarah Somers (School Improvement Advisor) and WVLN colleagues who support and challenge our school in equal measure to drive school improvement.

Every element combining to produce the best development for every child at Goodrich Church of England Primary School.

Best Wishes

Miles

School Prayer

Dear God,

Bless our school.
Bless our teachers.
Bless our pupils.
Bless our families.

Please help us to be kind and help us to always try our best.

Let us remember, as many hands make a house,
So many hearts make a school.

Amen
