Achieve ∞ Believe ∞ Care

32nd Edition – 24th June 2016

Dear Parents and Friends,

Thank you to Mr Mutlow, Mr Neilson and Mrs Webb for donations of time, materials and muscle to reinstate our Forest School fence. From the dramatic tree incident we have made the best of the situation and taken it as an opportunity to extend the Forest School area giving even more opportunities for outdoor learning. This would not be possible without this voluntary help.

Likewise, it would not be possible without the donations of fencing materials by **Walford Timber** <http://walfordtimber.co.uk/> . They have also donated a picnic bench this week too which is outside Peregrines class. Our children love outdoor learning and thanks to your wonderful support our children will continue to benefit from this.

Gentle Reminders

- Please remember that unless it is a Forest School day, children should be in full school uniform with no make up or nail varnish.
- PE lessons continue until the end of term so please ensure that their kit is in school every day.
- No dogs should be put down on the floor on the premises during school hours.

Concert NEXT WEEK

(Wednesday 29th June 29. 13:30 & 18:00 & Friday 1st July 18:00)

There are still lots of tickets awaiting payment in the school office.

For the two evening performances next week could your child be back at school for 5:30pm, so that they can change into their costume. At the end of the concert, the children will need to be collected from their class by those watching the performance. If not attending the concert, please wait outside the school and a member of staff will bring your child to you.

Transition Day

All went smoothly on our transition day this week. There is another one next Thursday. Please speak to the teacher concerned if your child has any concerns, no matter how small, so they can have confidence about their class over the summer holidays. Next Thursday, the children should go straight to their new class for the day.

Best wishes

		Attendance	This Week
Wrens	This week, we made play-dough and discussed what items we need and what we need to do step by step. We then used this to write instructions to show someone how to make play-dough. In Maths, we have used our doubling facts to solve halving problems and in our topic we have been comparing what London looks like today, to how it looked in the 1600s.	Reception	98.8%
Robins	This week, we have completed our instructions hot tasks and then we have been working hard to publish it on the laptops. We will be making a class book to go into the library, so watch this space. In Maths, we have been practicing our mental skills and becoming great mental mathematicians.	Year One	96.3%
Wood-peckers	In Maths, we have been learning how to multiply and divide using 2 and 3-digit numbers to solve problems. In English, we have been thinking about how we can create persuasive texts. We have also been very busy practising our part in the summer concert.	Year Two	98.6%
Owls	This week in maths we have been solving problems involving multiplication and division. In English we have been creating our own invention and preparing to write an explanation of how it works. Our afternoons have been spent busily practising for our summer concert with gusto and it's beginning to all come together!	Year Three	96.7%
Peregrines	Year Five enjoyed inventing a new machine and creating a blueprint to show how it will work and what it look like. In Maths they have been looking at scale in relation to Hogwarts School of Magic. All of Year Six for thoroughly impressing everyone with the level of their skills in our own EU Referendum debate. They voted STAY. Whoops! Much fun was had clearing out the pond yesterday. I will say no more!	Year Four	99.1%
		Year Five	94.4%
		Year Six	99.5%
		Total	97.6%

School Prayer

Dear God,
 Bless our school.
 Bless our teachers.
 Bless our pupils.
 Bless our families.
 Please help us to be kind and
 help us to always try our best.
 Let us remember, as many
 hands make a house,
 So many hearts make a school.
 Amen
