Goodrich Church of England Primary School Weekly Newsletter

Achieve 🕫 Believe 🕫 Care

14th Edition – 8th July 2016

Dear Parents and Friends,

I was about to write to share with you the frustration of the returning SATs results and what it does to my staff, teaching as a profession and potentially the future of our schools. Luckily, I was then distracted by your lovely children, which put it all into perspective.

We began to look at the personal journeys of them as individuals, their worries over the new tests but also their resilience in dealing with the content. Content that I know many adults would struggle with and still manage to function as professionals.

Then I was drawn to the even bigger picture, our Year Six children who went to the cathedral and celebrated their primary years whilst excitedly looking forward to the next challenges. The Wrens engaged in Forest School adventures and the children who do some early morning spelling work, independently applying their skills. Then finally, reports of those children who represented us at the Hereford Summer Sports being commended by other schools' staff for their teamwork and positivity.

Yet again, perfect examples of how we nurture and round our children in partnership with you as families, to prepare them to leave us, ready for the challenge of secondary education.

I am very proud to be, part of our school community, in partnership with you as parents, working with a great team of professionals who care passionately about their roles and your wonderful children who teach me something every day. Goodrich is so much more than an 'expected standard'... or not!

Best wishes

Karen Miles Head teacher

		Attendance	This Week
Wrens	In Literacy, we have been writing our own instructions and in Maths, we have been using our counting in 2s, 5s and 10s skills to solve multiplication and division problems. In topic, we have started to look	Reception	<mark>100%</mark>
	at how the Great Fire of London started and how we know it happened.	Year One	97.4%
Robins	This week we have been learning all about Samuel Pepys diary of The Great Fire of London. We have mapped it out and then taken a day	Year Two	96.4%
	each, in order to create a puppet show of it. We will be filming it so we can watch it back and show other children.	Year Three	<mark>100%</mark>
Woodpeckers	This week, we have been using our times tables knowledge and finding equivalent fractions. In English, we have been thinking carefully about our word choices to create interesting recounts. We have also had fun	Year Four	97.8%
	in Forest School and enjoyed developing our skills in rounders.	Year Five	94.6%
Owls	Owls have been looking into the aspects of E-Safety when "surfing the net." They have researched various situations and are now creating colourful and creative leaflets on staying safe. In maths the children have been out and about exploring measurement using trundle wheels	Year Six	<mark>100%</mark>
