Notices

- It was wonderful to see lots of parents at the drop in evening on Tuesday, where we also had our school survey set up in the hall with tea and cake kindly provided by the PTFA. If you haven't had the opportunity and can spare the time, we would be most grateful if you could follow the link and complete one for us. We very much appreciate the feedback as it helps us to know what is going well from your perspective and poses some questions too.

- Many thanks to everyone who contributed to a wonderful harvest festival today. Despite the quick relocation, it was very well attended. We very much appreciate the donations which some of the children will be taking to the food larder this afternoon (thank you for the bus Mrs Williams). The teachers and children showed us the beauty of all the colours in the rainbow in a thoughtfully designed service (thank you Miss Wright). Many thanks also go to Keith and Rev Ben for leading our service in music and worship.

What's Going On? (Please see ourschoolsapp.com for further information)

Class News		Superstars
Wrens	This week Wrens have had a very busy week. We have been learning our class rhyme 'Let's Go to the Zoo' and coming up with different animals and actions to add to our class rhyme. In Maths, we have been making numbers up to five in different ways and doing lots of counting activities. We have even been measuring ingredients to make flapjacks and cakes. Yummy! In our topic, we have been labelling parts of the body and making different types of animals for our topic display. In R.E. we have been learning all about harvest and preparing our blue crowns for the service.	Henry Nathaniel
Robins	This week the Robins have been learning our new class story, The Mixed Up Chameleon. In Topic we began to learn about Charles Darwin and his findings of creatures and plants on the Galapagos islands. On Friday in Maths, we learned all about measuring in grams and then made rocky roads. They were delicious!	Eliona Dexter Alice
Woodpeckers	In English this week, we have been learning a new poem about a shadow. In Maths, we have been practising how to use column addition and have been recalling times tables facts quickly. We also enjoyed making up our own dances about the colours red and orange to share in the Harvest service.	Gracie Jenny
Owls	In Owls we have been exploring the sound levels around the school, collecting data using a data logger and representing the data in bar and line graph. In maths we have been rounding numbers to the nearest 10, 100 and 1000. In English we have been developing our reading comprehension skills.	Arthur Daisy Cheyenne Molly
Peregrines	This week we have been carrying out some characters analysis of characters from the story of Hamlet. In maths we have been solving arithmetic questions. In Topic we have been creating our Magna Carta. Some of the children competed in a hockey tournament at JKHS.	Mia Matilda Alfie Aarrowen
