

## KEEPING SAFE

### What's in the news

### Instagram and Twitter Advice in Anti Bullying Week

We would like to raise parents' awareness of online safety issues. Instagram, Facebook and Twitter have a minimum age policy of 13. Whilst many parents choose to allow younger children to use these services we cannot recommend this. To keep your children safe on social media parents should ensure that the correct privacy settings are enabled, and that appropriate adult supervision is provided. Adult supervision means, looking regularly at the content of their posts, who they are following, being followed by and images that they are sharing. Not just the risk from strangers but also from bullying by their peers or bullying others.

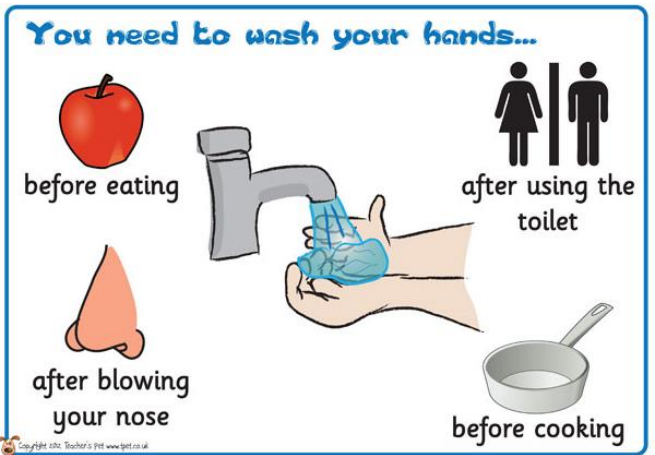

Further information is available at the NSPCC site, Net Aware.

## KEEPING HEALTHY

Cases of Worms have been reported in children with connection to the school. Please remain vigilant as it can be very distressing.

### Class News

### Class Superstars

<b>Wrens</b>	This week the Wrens have been learning our Winter story, creating the characters for our Literacy display and looking at describing words. In Maths, Year 1s have been busy making teen numbers in different ways and using number trees to solve number problems. In topic, we have looked at different types of measurement and made some delicious winter milkshakes and some playdough. We also did a chocolate experiment and had to predict what would happen to the chocolate in different areas of the school. We then talked about our findings.	Florence Charlie Maths star – Dexter B
<b>Robins</b>	The Robins have been weighing food in DT this week. We made winter milkshakes and shared a story time with Wrens and drank them together. In English we have been doing lots of drama to learn our new class story.	Norah Coco Ruben
<b>Woodpeckers</b>	In Woodpeckers, we have been developing our multiplication skills to solve word problems in Maths. In English we have been thinking about the characters in the Ancient Greek myth of 'Theseus and the Minotaur'. We have also been learning about different types of teeth and have shown some fantastic netball skills.	Daisy Jacob
<b>Owls</b>	This week we have been learning how to use the technique of scrafitto to decorate our Greek pots. We have also been using our maths skills to bake Greek biscuits. In Maths we have been using our problem solving and comprehension skills to solve worded problems. In English, we have been writing a recount about our Greek day.	Gracie Hannah James Max
<b>Peregrines</b>	On Monday we spent the morning creating a design to decorate our amphora vases, which we then transferred onto our vases using a technique called scrafitto, In Maths we have been solving problem using long multiplication and division and in English we have been planning and writing a recount about our recent Greek Day. In P.E we have been thinking of rules to improve or add challenge to team games.	Jasmine Luca Alfie Alicia Annabelle
