

Goodrich Church of England Primary School Weekly Newsletter

Achieve ∞ Believe ∞ Care

10th Edition - November

Dear Parents and Friends,

Thank you to everyone for their support at recent events. The Christmas Fair was a super success, as our wonderful PTFA have yet again raised ample funds to help support the education of everybody's children. A special thanks to those families and individuals that took time to prepare and run stalls, help with refreshments and do all that planning and management that is so essential to success.

Also, thank you to those families that sent in the Christmas packages for distribution to children abroad, and for the bags of clothes for similar charitable purposes. It is hard to imagine how some families in the World, following a disaster and losing everything, can cope through further extremes of weather without this kind of help.

The Year Six girls represented our school at the local Netball tournament and reported that they played seven matches! Well done, girls. We are proud of you.

Mrs Taylor's class have been working very hard to draft a new behaviour plan for our school, making plain the consequences that follow negative behaviour. In due course, this will be shared with all staff, children and families. We have two main aims: to bring consistency throughout the school, and to help our children to grow up as thoughtful citizens. Staff have moderated some of the consequences – it looked as if Horrible Histories was a main legal reference for some budding legislators.

Our four Superstars sports clubs have started, - please, see the timetable below. There are spaces on these clubs for more children, and there are some children who we would love to see in at least one club. We have begun inviting some to join: please, encourage them to do so. Mrs Lester has all of the booking arrangements.

Thursday's assembly was presented by a mad scientist from Mad Science, a national educational group, who deliver school science clubs. We realise that this is an expensive club, but there are high resource implications. The dates on their letter were wrong and the club would actually start on the 13th January. Note that this club will not run unless there are at least fifteen children signed up for it.

If I have missed anything out, my apologies. It is Mad School Week.

Best Wishes

N. Edwards

Afternoon performance for Juniors.

**Forest School
Yeah!**

School Prayer

Dear God,
Bless our school.
Bless our teachers.
Bless our pupils.
Bless our families.

Please help us to be kind and help us to always try our best.
Let us remember, as many hands make a house,
So many hearts make a school.
Amen
