

Goodrich Church of England Primary School Weekly Newsletter

Achieve ∞ Believe ∞ Care

56th Edition – March 2015

Dear Parents and Friends,

Well done and thank you to everybody who contributed to last week's Red Nose Day. The children raised an amazing **£317.74**. A special thank you to Mia and Abby for being key organisers, treasurers and end-of-day cake-sellers.

This morning, the mist cleared, the Sun came out, and the Moon did what it will not do for another decade or so. Incredibly, some of us witnessed two jumbo jets fly across the arc of the Sun into the Moon's silhouette, complete with vapour trails.

At the end of our penultimate week, we have had to say goodbye to our Worcester University students, Miss Cindery and Miss Jones, who have worked very hard and performed well for all of our children. We wish them every success. We look forward to Miss Newman continuing with us next term.

Please, join us in a special celebration assembly at St Giles' Church, Goodrich, next Wednesday morning.

Have a nice weekend.

N. Edwards

Head Teacher

News from the classes		Attendance	This Week
Wrens	Wrens have been busy making bread and sandwiches as part of our work on instructions. They also had lots of fun searching for minibeasts around the school grounds.	Reception	91.8%
Robins	Robins have been investigating what different animals eat and found they could be grouped by what they eat – herbivores, carnivores and omnivores. We then made different types of animals in forest school and grouped them in different ways.	Year One	95.5%
Wood-peckers	Woodpeckers have been working hard on their writing this week and have been coming up with some excellent alliteration and similes in their poems as well as developing interesting adjectives and powerful verbs to make their writing more exciting!	Year Two	99.1%
Owls	After a super half term of maths with Miss Cindery, we said a sad farewell and wished her luck. We have now hung our planets from school trees and are looking forward to completing the Sun, so that we can hang it up, as well.	Year Three	99.5%
Peregrines	Peregrines have been busy investigating: does the shape of blu tack make a difference to the time it takes to fall through water and how does the number of paper clips affect the time for the helicopter to fall. They have also written conclusions based on their results.	Year Four	98.7%
		Year Five	97.8%
		Year Six	100%
		Total	97.7%

Notices- PLEASE KEEP READING

School Prayer

Dear God,
Bless our school
Bless our teachers
Bless our pupils
Bless our families

Please help us to be kind and help us to always
try our best
Let us remember, as many hands make a house
So many hearts make a school
Amen
