65th Edition – June 2015

Dear Parents and Friends,

@Bristol Robotics Competition

Well done to the Woodpeckers for the work they submitted following their visit to @Bristol. We received a letter over half term to congratulate the children on their work. Dr. Corra Boushel informed us that we received a commendation for the work and soon we will take delivery of a robotics prize. I wonder what it will be? She went on to say that the Chief Scientific Advisor to the Government and the EU Space Agency (robotics division) had been to visit, so they have been noticed by important people! Great work Woodpeckers and thank you for entering them Miss Brett.

Church week

As you have seen on the calendar, church week is coming up. This year Art will be our focus and each class will take the work of a different artist as inspiration. If you are available to walk up with the children on any day, please speak to your class teacher to find out when they will be going. On Thursday parents are welcome to come and join us at the church and to look at the work they have been doing. Some of the parishioners are kindly going to provide refreshments. Infant parents are welcome any time between 10 and 11:30 for as long or short as you like and Junior parents between 1:20 and 2:30. The week will finish with a visit from landscape artist Doug Eaton who will work with all the children through the day.

Best wishes,

Miles

Head Teacher

News from the classes		Attendance	This Week
Wrens	The Wrens have been creating story maps for The Lighthouse Keeper's Lunch. In Maths, we have been learning about halves. We have also enjoyed finding out about seaside holidays in the past.	Reception	99%
Robins	The Robins have been exploring areal images of different parts of the world and then we created our own. In English, we have started our new story, Meerkat Mail and have created our very own puppets in order to retell the story.	Year One	90.5%
Woodpeckers	Woodpeckers have been working hard going over written methods of subtraction this week in maths and have been continuing their work on different genres of non-fiction writing in English, finishing off with designing their own front page newspaper story!	Year Two	93.6%
Owls	This week, we have been mostly looking at instructions in English and decimals in Maths. In our topic, we have learned about pollination and the creation of seeds through fertilisation.	Year Three	99.1%
Peregrines	On Thursday, Peregrines spent the day with Kirsty from the Konflux Theatre Company where they learned a 'play in a day'. In the afternoon they performed 'Greece is the Word' to parents and the whole school. All of Year 5 and 6 had a part to play and their final performance was brilliant. They were all superstars!	Year Four	99.1%
		Year Five	91.2%
		Year Six	91.7%
		Total	95.1%
