Achieve ∞ Believe ∞ Care

68th Edition – July 2015

Dear Parents and Friends,

A massive well done to everyone involved in the Summer Concert. The children were amazing! Thank you to everyone who made it possible, especially the staff that work so hard with the children and on the props, scenery, tickets and programmes. Lots of people made lovely comments about the show and it would be wonderful if you felt able to pop your thoughts down on paper for us.

Thank you, everybody. Have a nice weekend.

Best wishes,

Miles

News from the classes		Attendance	This Week
Wrens	We have been learning about poems that use similes for description. We had fun using similes to write our own poems about sea creatures. In Topic work, we learnt about animals that we might see if we went on holiday to different countries around the world.	Reception	97.5%
Robins	We have been learning all about capacity this week. We measured different liquids in order to create a potion. We have also been working towards creating our own versions of Meerkat Mail. We changed the setting and the characters of the story.	Year One	96.4%
Woodpeckers	Woodpeckers have continued their work on persuasive writing this week and are in the process of designing an advert to persuade people not to buy their product! They have just about completed their work on properties of shape and different kinds of angles in maths and have been continuing their investigation into the effect of varying amounts of light and water on how well plants grow in science.	Year Two	92.2%
		Year Three	98.2%
		Year Four	99.6%
		Year Five	92.1%

Owls	Goodbye and good luck to Mrs Vince. Owls have worked very hard on their concert songs and now, most of us know them really well. Thank you Parents, for your help. In Maths, we have looked at Roman numbers and how we might apply them. For English, we are writing poems about animals. Yesterday, we had an exciting day with Mrs Taylor and Mrs Jones, looking forward to September.	Year Six	94.0%
Peregrines	Another busy week for Peregrine Class. On Thursday, Year 5 enjoyed their transition day - welcoming new classmates and meeting their new maths teacher. Meanwhile, Year 6 helped Mrs Cleaver and Mrs Lafford to clean the forest school pond. Surprisingly, they all came back very muddy! Year 5 and Year 6 have done themselves proud with the summer concert. They have all worked hard to learn their lines and songs and to remember their cues. They all deserve to be class superstars.	Total	95.8%
