

Goodrich Church of England Primary School Weekly Newsletter

Achieve ∞ Believe ∞ Care

6th Edition - October

Dear Parents and Friends,

Quickly, the weeks have whizzed past and whilst things are still very new to me, I also feel as if I have never been anywhere else.

I would like to thank the whole school community for everything you do to make Goodrich Primary School what it is. There are too many people to mention by name but children, parents, families, PTFA and our governors working hard, unseen, thank you. A particular mention goes to our staff that have helped me enormously, forgiven my mistakes and work so incredibly hard. They are open to new ideas and eager to move with the changing shift in education. We know we have many tasks and challenges ahead but have the capacity and attitude to embrace anything.

As the clocks go back at the weekend, it will be a real reminder of the changing season and our need to make sure those hats and gloves fit again after a long and most refreshing warm patch. My husband, being a builder, dreads the short days. For me the thoughts of wading through the crisp leaves in the woods, the wood burner glowing in the lounge and hot chocolate at the end of the day, are reminders of the countdown to Christmas and then the new year. A magical time of year.

I very much look forward to my next half term at Goodrich School

Have a great half term and stay safe.

Best Wishes+
