

Monday 24<sup>th</sup> April 2017

Dear Parents,

Welcome to the Summer Term! We hope you all had an enjoyable Easter holiday with family and friends. The weather was certainly a bonus.

For the first half of the summer term we are going to continue with our Mayan Mania topic because we want to develop the children's learning further following our visit to Cadbury World.

In the second half of the summer term, we are planning a local study topic, which will take in the geographical and historical features of the local area and include some walking visits in and around the Goodrich area. More details will follow after the half term break.

P.E. will take place on *Wednesday and Friday* of each week but this can be subject to change so it is recommended that their P.E kits stay in school at all times. If it does need to go home, try to leave it until the weekend and return it for the following week.

Homework will continue to be given out on Friday, for it to be handed in on the following Wednesday. As well as homework, it is important that your child learns their weekly spellings, reads regularly each week and practices their times tables linking multiplication and division facts with quick recall.

Clubs will resume week beginning 1<sup>st</sup> May. Please refer to the newsletter or the school's Whats App for forthcoming events and dates, including class forest school dates.

If you have any questions or queries, we are usual around at the end of the school or you can make an appointment via the office.

Kind regards

Mrs. Taylor, Mrs. Jones and Miss Wright
