Re: Asthma

Dear Parent/Carer

We are now entitled to hold Salbutamol Inhalers for use in an emergency, if either the child concerned does not have one or it's not working for any reason.

So that we can be sure that our database holds the most up to date information regarding the children's medical details, please complete and return the form attached. Please return the form even if your child does not have asthma.

If you have any queries regarding this please do not hesitate to contact the school.

Kind regards

Miles
