SCHOOL WEBSITE/NEWSPAPERS CONSENT FORM

As a school we have our own website, which you will be able to find at: www.goodrichprimarysch.co.uk and a Twitter page [@GoodrichCESch](https://twitter.com/GoodrichCESch). We would like to place some pictures of the pupils alongside the information about the school. The Twitter feed is open to the general public in the same way as our website is but provides a picture of the school and everything we get up to over time. This is very useful when it is looked at by prospective parents or Ofsted. These pictures will be in a class setting with pictures taken of groups of children, (pictures will not be taken at swimming lessons and although photos may list children's given names, a child will never be directly identified). We do not have a Facebook account.

From time to time pupils' photographs may also be used in local newspapers. To enable us to use pictures on the internet and/or in the local press would you please sign below giving us permission to use photos of your child/children. Please sign below as appropriate.
