1/2 cup low fat-free  
1/2 cup fruit of your choice  
1/3 cup water  
Freeze overnight

CHRISTIAN VALUE- WISDOM

COMMUNITY NEWS

The Alpha Course.

## Christianity: Boring? Untrue? Irrelevant? Judge for yourself.

Alpha is a highly successful course run in 169 countries, in 127 languages, taken by 25 million people. It is for the curious – those who want to know more about the Christian faith or why Christians are like they are. In most sessions a 20-30 minute DVD presentation is followed by discussion. No preaching – promise!

The course is going to run on Wednesday evenings from 17th January to 14th March, with one Saturday morning (24th February) thrown in. Every session is free and involves a hearty meal.

## Notices

- Welcome back! Many thanks for the many kind and thoughtful messages and gifts we received at the end of last term. We hope you all had a wonderful Christmastime with your families.
- Well done to the PTFA for all the Christmas events that went very smoothly. I'm sure there will be news soon about how much they raised and what they are hoping to spend it on.
- Thank you to all our swimming helpers. Mrs Jones says you do a fabulous job and we are grateful for the time you give us.
- Although it seems a long time ago, the choir singing with The Roaring Megs raised over a £1,000 to help Blackmarston School. A truly worthy cause and a wonderful evening too.
- It was fantastic to see so many parents coming in to meet with teachers this week. If you weren't able to make it, please speak to your teacher and arrange a mutually convenient time.

### Class News

### Superstars

<b>Wrens</b>	<p>This week, Wrens have been looking at the different features to write a good set of instructions and learning all about 'bossy' words (verbs). In Maths, Y1s have been working on their number bonds to 20 and Reception have been partitioning and combining practical equipment to make number sentences and write them. We also did some maths in Forest School, where we had to estimate the size of objects that would fit in a bottle. In our topic, we have been talking about the roles of kings and queens and in Science we have been sorting objects and materials.</p>	<p><i>George V, Jacob B, Oliver &amp; Nikola</i></p>
<b>Robins</b>	<p>Robins have been using time connectives and year twos are beginning to use commas in lists. In maths we have working on their number skills. We did some lovely weaving with Mrs Green who has been doing an amazing job. We all miss, Miss Lillie and hope she feels much better soon.</p>	<p><i>Fearne and Millie</i></p>
<b>Woodpeckers</b>	<p>Woodpeckers have been thinking about the Roman legend of 'Romulus and Remus' from the viewpoint of the shepherd. In Maths, we have been practising reading and writing the time to the nearest minute. We have also been sharing what we know about different types of rocks and have had lots of fun in Forest School.</p>	<p><i>Jessica and Mollie</i></p>
<b>Owls</b>	<p>This week, Owls have been improving their multiplication skills and applying their knowledge to solve problems. They have also been finding prime and square numbers. In topic the children have been finding out more about the Roman invasion of Britain and in English they have been doing some research on the Romans in preparation for writing a non-chronological report.</p>	<p><i>Daisy, Erin Harry, Molly, Arthur, Pippa</i></p>
<b>Peregrines</b>	<p>This week, Peregrine class have been travellers in time to find out what life was like during the Roman era. They are going to use their information to write a non-chronological report for a chosen audience. In maths, they have been applying their arithmetic skills to solve words problems. In P.E. they have been exploring shapes and movement in order to develop and extend their gymnastic abilities.</p>	<p><i>Alfred, Skye Sam C, Mia, Matilda</i></p>
