

RE at Goodrich CE Primary School

Through Religious Education we help the children to learn about and understand a range of religions and worldviews. We encourage children to express their ideas in a variety of ways and show respect for their own and others values.

We follow the Herefordshire Agreed Syllabus 2015-2020 so that throughout EYFS, KS1 and KS2 the children gain a greater understanding of Christians, Muslims, Hindus and Jewish people and the links between the religions. We carry out a range of activities in our classes but also enjoy shared activity sessions when we join with other classes or work as a school to explore a shared theme.

As a Church of England School we celebrate the Christian festivals of Harvest, Christmas and Easter building upon our understanding as we progress throughout the school.
