Class News		Class Superstars
<b>Wrens</b>	Wrens have been busy creating imaginary lands in poetry this week. In Maths, we have been practising our addition and subtraction skills. We have also enjoyed creating pop art inspired images and making up our own dance sequences.	Nikola & Carter
<b>Robins</b>	This week The Robins have been innovating our class story map with our very own ideas. In English, we have been learning how to add a suffix onto the end of a root word and in Maths we been grouping objects in many different ways and describing them as many ways as possible. In Science we have investigated gyrocopters and found out which size and weight we would choose to give a superhero.	George, Jake T, Thomas
<b>Woodpeckers</b>	In Maths this week, we have been solving division problems. We have also used our maths skills to weigh and measure the ingredients to make some delicious Egyptian honey biscuits. In English, we have been practising the skills we need to help us write a set of instructions about mummification.	Chloe, Arthur, Joel and Stefan

<b>Owls</b>	This week, Owls Class have been learning all about apostrophes for possession and recapping our different rules for plurals. We have also started learning our class text, 'How to build a pyramid' and looked at the features we need to write our own set of instructions. In Maths, we have been building our fluency skills on equivalent fractions, improper fractions and mixed numbers. In topic, we have been decorating our Egyptian masks and in Forest School, we built pyramids out of mud.	Kady Emma Scarlett Lachlan
<b>Peregrines</b>	This week Peregrine Class have been cracking comprehension questions by locating and retrieving evidence in a given text. In Maths we have been learning to read and interpret data in different contexts, e.g. timetables. In P.E, we have been swimming or playing tag rugby and playing football or netball. We have also been preparing for Battle of the Bands.	Seren Seth Aarrowen Ella

### Notices

- A big thank you to Miss Holloway and Mr Garraway, our PGCE students who have finished their time with us today. We wish them all the best for the future.
- EXCITING NEWS**  
Thanks to an extra government capital grant the governors have at last been able to realise a long term goal to secure diocesan permission to have solar panels installed on part of our school roof.

Many thanks to for squeezing our installation in before the end of this financial year. Making our school a 'greener' place and budget savings too.
