| **Year 5** | **96.8%** | | | |
| Year 6 | 92.4% | | | 3 |
| **TOTAL** | **92.7%** | | | |

**School Prayer**

Dear God,
Bless our school.
Bless our teachers.
Bless our pupils.
Bless our families.
Please help us to be kind and help us to always try our best.
Let us remember, as many hands make a house,
So many hearts make a school.
Amen

|---|---|---|
| **Wrens** | Wrens have been busy solving addition and subtraction problems in Maths this week. In English we have been writing facts about the rainforest linked to our habitats work in Science. We have enjoyed working together in the mud in Forest School and were delighted that so many Dads and Grandads could join us for shared activities to celebrate Father's Day. | Verron & George |
| **Robins** | This week we have been busy investigating 3D shapes in Maths. On English we have been writing our very own poems, some about walking through jungles and some about other things such as walking through Hogwarts, the UK and New York city. In Science we have been finding out about animals and plants and their habitats. | Lucas & George |

|---|---|---|
| **Woodpeckers** | In our topic work this week we have been learning about how important tools were during the Stone Age. Linked to this we made replica Stone Age bows and arrows in Forest School and in class we have been planning, rehearsing and performing our own television adverts using persuasive vocabulary to convince our audience that our bow and arrows are the best! In Maths this we week have been solving tricky fraction problems and in Science, we have been learning about erosion and how landscapes change over time. | Timmy, Arthur, Sammy-Jo, Emilia, Tallulah |
| **Owls** | This week, we have been researching Stonehenge and Skara Brae to create a leaflet, to persuade people to visit these famous historical sites. In Maths, we have been exploring and investigating different types of polygons. We have been using our knowledge of these 2D shapes to sort them into different categories such as regular/irregular shapes, right angles, obtuse angles or acute angles. In topic, we have been ordering events throughout the Stone Age to build a timeline to show what happened in Britain and around the world during this pre-historic time. | Scarlett, Evie & Jenny |
| **Peregrines** | This week we have been busy rehearsing for the forthcoming summer concert. We have been learning the songs, starting to put dance routines to the songs and acting out our lines. | Daisy, Todd, Pippa, Molly |
