

KEEPING SAFE & HEALTHY

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

Primary School Newsletter

News

Dear Parents and friends,
It is feeling like winter is approaching and the 'C' word is beginning to be whispered. Please make sure that the children come to school with coats, hats and gloves as they still love to be outside in the fresh air. Not to be like a stuck record, but please make sure they are named.
Hopefully, you have received information about the parent consultation evenings. If you haven't, please speak to Mrs Blake. We would very much like it if your child can attend with you. If you cannot make the dates, please speak to your class teacher.
Please keep an eye on the calendar and app as the dates are building up for 'Crazy' season. That was the 'C' word of course!

This year the choir will be singing with the Roaring Megs again, which is always a thoroughly enjoyable evening, raising money for great causes. The PTFA are working hard to put on a wonderful Christmas Fayre, please get involved or pop the date in your diary. The dates are on the calendar for the Infant Nativity and the Christmas service at St Giles too.

*Best wishes
Mrs Miles*

Class News

Class News		Class Superstars
Goldcrests	Goldcrests have had a great time exploring our new nursery, having all sorts of adventures in the palace 'climbing frame,' turning it into a castle, a pirate ship, even a den. Making lots of cups of tea and cake and creating stories in the mud kitchen. Constructing with various materials, magnetics, wooden blocks, duplo, stickle bricks to name a few. Looking at what we need to make a sandcastle comparing it to sieving and pouring, alongside our ever increasing friends.	
Wrens	Wrens have been busy learning the story of 'The Gingerbread Man' and applying the new letter sounds they have been learning. We have also been comparing different heights and practising adding and subtracting. We have been thinking about how we can keep healthy and enjoyed our Forest School walk.	Charlie Luke
Robins	This week in English, Robins have been learning our new story, Farmer Frost's Arctic Fox. We have been learning how to use skills such as question marks, suffixes and exclamation marks. In Topic, we have begun thinking about Christmas and what Jesus means to Christian people.	Maddisynne Selena
Woodpeckers	This week, Owls have been learning our class text, 'Harry Potter' – a biography and using different examples of biographies to look at the features and make a toolkit. In Maths, we have been using different methods to build our fluency, reasoning and problem solving skills to add and subtract a 3-digit number and a 1-digit number. In Science, we have been finding out about types of electricity, how electrical appliances work and how to be safe when using electricity at home. We have also been developing our dribbling skills and controlling the ball in football during our PE lessons and in Music, we have been learning how to play different instruments and keeping in time as an orchestra.	Ainara Leo Liam Sophia
Owls	Owls have been learning more about their topic, 'Facing the world', including developing their knowledge about the continents; finding out about the water cycle and looking at a variety of landscapes by a range of artist in order to develop our understanding of artistic techniques.	Jimmy Millie Huxley Stefan Dexter Noah
Peregrines	This week we have been looking at how we can write an effective character description. We have been using art as a tool to help us to look in detail at characters as well as using pictures to infer information. In Maths we have been finding the area and perimeter of compound shapes. We have also been designing our periscopes, whilst considering how we are going to make them.	Erin Alex Harry Daisy Ollie Jacob

What's Going On? (Please see ourschoolsapp.com for further information)

Twitter Snapshot @GoodrichCESch

Owls started their landscapes art project by using view finders to find interesting aspects of our environment to sketch. Thankfully we found a break in the weather to go out in the sunshine! #GSowis #GStopic

We had lots of fun creating our mythical creatures for our hut in the playground. #GSwoodpeckers #GSart @Del_ART_fuj

Sports News

Years 3 and 4 Football Tournament,
Ashfield Park Primary School
Thursday 21st November 2019

On Thursday, Years 3 and 4 participated in a football tournament against other local schools. All children enjoyed the afternoon and developed their football skills and working as a team.

Timmy and Nathaniel both impressed with their teamwork, enthusiasm and perseverance.

Well done all! 😊
