

Friday 29th May 2020

Dear Parents/Carers,

It will be lovely to see the children that are coming into Wrens on Monday morning. It will be a little different in school, although we are trying to keep Wrens as normal as possible during these unusual times. The children will be taught by Miss Wright (except Wednesday afternoon) and Miss Smith each day with Mrs Mutlow joining each morning. Mrs Pye will be part of Wrens all day on a Wednesday. We will be engaging in activities as a class. We will be having staggered break times and lunchtime plays outside and will be eating our packed lunches in the classroom.

We thought you may like to explain the new morning routine to the children so that you and they know what to expect on the first day back.

- * Between 9.15am and 9.25am we would like each Wren to arrive with one parent.
- * We ask that you wait 2m apart as the children are welcomed at the side door leading into the Infant Activity Area by a member of Wrens staff. We ask that parents do not come into the building.
- * The children will then put their belongings onto a chair in our 'new cloakroom' (the Infant Activity Area) It is important that they do not bring toys or cuddly toys from home. We do have a sun hat ready for each child but they will need to bring in a spare pair of pants and a water bottle. You may also want to send in sun cream for the children to apply. This must be clearly labelled with your child's name.
- * They will then be asked to wash their hands before going into the classroom to share a construction activity with a member of Wrens staff.

At the end of the day the children will be dismissed to you from the same door at 2:45. Please remain socially distanced too.

We look forward to seeing you.

Kind Regards,

Miss Wright and Miss Smith
