

SCHOOL & NURSERY WEBSITE/NEWSPAPERS CONSENT FORM

Goodrich School and Goodrich Goldcrest Nursery has its own website, which you will be able to find at: www.goodrichprimarysch.co.uk and a Twitter page [@GoodrichCESch](https://twitter.com/GoodrichCESch). We would like to place some pictures of the children alongside the information about the school and nursery. The Twitter feed is open to the general public in the same way as our website is, but provides a picture of everything we get up to over time.

We sometimes add photos and some information of children to our newsletters, which is distributed to our school and nursery community and added to our website.

From time to time local newspapers photograph events and use children's photos in the local press. They often post these photos on their website/media feeds.
