

KEEPING SAFE & HEALTHY

LEARN THE UNDERWEAR RULE
TALK PANTS AND YOU'VE GOT IT COVERED!

PRIVATES ARE PRIVATE
Parts of your body covered by underwear are private. No one should ask to see, or touch them. No one should ask you to touch or look at parts of their body that are covered by underwear. Sometimes doctors, nurses or family members might have to. But they should always explain why, and ask if it's OK.

ALWAYS REMEMBER YOUR BODY BELONGS TO YOU
No one should make you do things that make you feel uncomfortable or embarrassed. If anyone tries, tell an adult you trust.

NO MEANS NO
You have the right to say 'no' - even to a family member or someone you love. Remember, you can't be forced to do anything you don't want to do. Your feelings are important.

TALK ABOUT SECRETS THAT UPSET YOU
Somebody shouldn't make you feel upset or worried. If they do, tell an adult you trust. You will never get into trouble for sharing a secret that upsets you.

SPEAK UP, SOMEONE CAN HELP
Talk about what that makes you worried or upset. An adult you trust will listen, and try to help. It doesn't have to be a family member. It can be a teacher or a family friend - or even ChildLine.

CHRISTIAN VALUES COMPASSION & FORGIVENESS

Forgiveness is the best form of love. It takes a strong person to say sorry and an even stronger person to forgive.

MARKET TO YOUR DOOR
Specialising in local food and produce
Saturday 19 March ONLY from 10:00 – 12:00

Funded by the Bull Back Better Market Town's Fund

News

Dear all,

As you know that this year we didn't go for a 'red' nose day, instead we went for a 'blue and yellow' day. Thank you for the overwhelming donations made by you all. We have filled the office with shopping bought to be boxed up and sent to the Ukraine. We have also raised an amazing £550 in cash to support those in need. The children have also created some cheering illustrations and messages to raise a smile and let them know that a small village school in Herefordshire is thinking of them and has them in our prayers.

As travel restrictions are lifted it begins to feel more 'normal', however we are experiencing another rise in cases in the school. This week we have some staff off with Covid which puts pressure on the staff team and we have found it very difficult to find supply teachers. If cases were to rise further, it might reach the point that classes would need to close on a health and safety basis. We would therefore be very grateful if you can test your children if they have symptoms or are in contact with individuals who have tested positive.

Best wishes
Mrs Miles

Class News

Last week Goldcrests learnt all about the signs of Spring. We made blossom from egg boxes and painted daffodil pictures using toilet rolls and corks! We looked at different sizes through the story 'Marvin Wanted More' and practised sequencing five Marvin the Sheep pictures, in size order from smallest to biggest. We even had a go at writing numbers, in order to number our sheep 1 to 5.

This week we are talking about growing. We have planted sunflower seeds and Broad Beans, which we have learnt need sun and water to make them grow taller than us! We did an experiment, standing white flowers in jars of different coloured water and were very excited when the flowers began to change colour. We have all been measured and stuck a Tulip on the wall to create a height chart, comparing to see who is tallest and who is shortest. We enjoyed making bread rolls, filling the nursery with a delicious smell and were amazed to see how much they grew in the oven!

Quote of the week

Body & Mind

Wow play!

Words of the Week

Goldcrests

Exploring the messy tray, Monty buried some carrots in the compost, saying, "I'll put them in this hole, I cover them over, they'll be bigger in the morning."

Look how tall we all are!

Wow! We made rainbow coloured flowers.

|---|---|--|---|-------------------|---|
| | <p>Wrens have been busy learning the story of 'Jack and the Beanstalk' and have been practising taking on the role of different characters. In Maths, the Reception children have been learning double number facts and Year 1 have been solving problems using their special pizzas to find halves and quarters of quantities. We have also been thinking about how our senses can keep us safe. We learned a new song to help us remember to hold hands with a grown up and 'Stop, look, listen and think' when crossing a road. In PE, we started an adventure into the jungle to help us build our strength and balance. In RE, we have begun to think about places that are special to different people.</p> | | | | Class Superstars |
| Wrens | Quote of the week | Body & Mind | Wow play! | Words of the Week | <p>Last week: Matilda Juniper</p> <p>This week: Zach Robin</p> |
| <p>When playing with the animals with his friend, Zach said, "Come on, let's share!"</p> | <p>Wrens enjoyed a fantastic session in Forest School this week.</p> |  | <p>double hang pulse poor clamber</p> | | |
| Robins | <p>In English the children have been thinking about alliteration and onomatopoeia. They have been using an extract of text from George's Marvellous Medicine to help them think of words that all start with the same sound. In maths the year 2's have been working hard revisiting column addition and subtraction and calculations involving multiplication and division; there has been some fantastic work. Year 1's have been exploring halves and quarters of shapes and amounts. In DT we have continued to explore levers, sliders and pivots. This week the children designed a card for someone and included one of the mechanisms, it was a brilliant afternoon which the children thoroughly enjoyed. This week in History the children found out what going into space would be like. They really loved the idea of floating about all day long and of course found it fascinating when they watched a clip of Tim Peake talking about how they go to the toilet! The children have begun to use water colours to colour wash a background for a seascape picture. In RE the children have been researching places of worship and looking at Christian artefacts. On Tuesday as part of our blue and yellow day the children drew some wonderful pictures to send with our collection to Ukraine.</p> | | | | <p>Last week: Ezra Isaac Hayleigh</p> <p>This week: Danny Millie Wynter</p> |
| Quote of the week | Body & Mind | Wow work! | Words of the Week | | |
| <p>"When we halve a shape, it has to be down the middle and equal on both sides" explained Elliott.</p> | <p>This week the children practised some mindfulness through the story called <u>sleeping dragon</u>. Through the story we learnt how Dina uses her powerful breath to cool off when she needs to be calm. Something we can all try! Click the link for yourself!</p> | <p>Fantastic DT work!</p>  | <p>reply poor worst shred fall</p> | | |

| | | | | | |
|-------------|--|---|---|---|--|
| Woodpeckers | <p>In Maths, we have been continuing to use our times table facts to solve multiplication and division reasoning and number problems. We have also had a little competition with our x7 tables on 'Hit the Button'. The highest score in Y3 is 20 and the highest score in Y4 is 40! The children have really been enjoying competing against each other, but also trying to beat their own scores. In English, we have been using the inspiration from our artwork of myths and legends and the book, 'Tell me a dragon' by Jackie Morris to design our own dragons, thinking about what their eggs might look like, where they live and what the dragon looks like, to help us write descriptions about the dragon. We have also written messages for the people in Ukraine on our Blue and Yellow day to send with our collection. In P.E. we have continued to work on creating a dance in partners and in Forest School, we have been working together to create a willow tunnel. In History, we have started our new theme, 'The Bronze Age and Iron Age' and in Science we have been looking at the different parts and functions of a plant.</p> | | | | <p>Last week: Ruby Eve Henry P Freya</p> <p>This week: Jasper HC Merrie Carter Morgan Verron</p> |
| | <p>Quote of the week</p> <p>When discussing what positive behaviour choices might look like around the school in Collective Worship, Eve said; <i>"It's about thinking about the choices you make, listening and following instructions and being respectful to one another."</i></p> | <p>Body & Mind</p>  <p>Woodpeckers worked together to build a structure and make a willow tunnel.</p> | <p>Wow work!</p>  <p>Jasper's dragon art.</p> | <p>Words of the Week</p> <p>commence tease cater collaborate stem</p> | |
| Owls | <p>This week in Maths, Owls Class have been exploring short division methods involving remainders as decimals to solve problems. In Science we have been learning about the type and function of teeth, different teeth and how an animal's diet affects the type of teeth it has. We used playdough to make a model set of dentures! In Geography we been learning about river erosion and in D&T we have been using levers to make moving pictures. In ICT we have been using a range of techniques to make and edit our own videos. I think we have some future film producers in the class! In English, we have been doing some dictionary and thesaurus work and looking at and reciting poetry about somebody special to us.</p> | | | | <p>Last week: Liam George Holly Oliver</p> <p>This week: Monty Sophia Alisha</p> |
| | <p>Quote of the week</p> <p>The children have posted lots of lovely messages about each other in our Recognition Board nominations box. Here are just a few: "Nikola never gives up and is kind." "Delphi is respectful and listens." "Thomas always pays attention and is looking at the teacher." "Alfie is very kind and if he makes a mistake he will fix it."</p> | <p>Body & Mind</p> <p>We have been learning a range of sports over the last few weeks in P.E. including netball, handball and tag rugby. The children find that being active has a positive impact on their mental wellbeing, and so really enjoy P.E. and our daily run a mile.</p>  <p>Here the children are enjoying playing a friendly game of handball.</p> | <p>Wow work!</p>    <p>The children loved creating their own fantastical creatures!</p> | <p>Words of the Week</p> <p>lambast aftermath undetactable deliberate participate</p> | |

|------------|--|---|--|--|---|
| Peregrines | <p>This week in English, we have been doing a variety of things. We have focused on inference questions in reading comprehension and we have been identifying the object and subject in sentences. On Tuesday, we dressed in the colours of the Ukrainian flag and made donations to help them. In addition, we wrote letters of friendship and comfort to accompany the whole school collection. We have also been writing a news report based on a given picture called The Heddington Shark. Year 6 were Sports Leaders on Monday afternoon and organised a carousel of P.E. activities for Year 5 and Year 4 to participate in. In Science, we carried out investigations using our handmade musical instruments. In Maths, Peregrines have been solving problems involving mean, mode, median and range. They have also moved onto learning about ratio and proportion.</p> | | | <p>Last week: Millie Eliona Harry Manu</p> <p>This week: Arthur Stefan Noah Florence</p> | |
| | Quote of the week | Body & Mind | Wow work! | | Words of the Week |
| | <p>As a Sports Leader, Arthur was very proud of his achievements in P.E. He said, "My activity was the most liked and it was the hardest one too!"</p> |  <p>On Monday and Wednesday afternoon, Owls and Peregrines worked brilliantly as a team participating in a range of physical activities.</p> |  <p>A small collection of letters written to accompany the collection for the people of Ukraine.</p> | | <p>refugee destination cautiously eagerly inference</p> |
